DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Objections

2. Claims 29, 30, and 85 are objected to because of the following informalities: When updating the claim numbering, it appears that Applicant did not update the numbering of the parent claims in accordance with their new numbers. In particular, it appears that claims 29 and 30 should depend from claim 28 and claim 85 should depend from claim 83. Appropriate correction is required.

Claim Rejections - 35 USC § 103

3. The rejection of claims 46 - 54 and 83 - 90 under 35 U.S.C. 103(a) as being unpatentable over D'Angelo et al. in view of Ligg Pty. is hereby maintained for the reasons of record.

Response to Arguments

- 4. Applicant's arguments, see remarks, filed 9/22/08, with respect to claims 1 6, 13
 15, 21 31, 37, 42 45, and 55 82 have been fully considered and are persuasive.
 The rejection of the claims has been withdrawn.
- 5. Applicant's arguments filed 9/22/08 with regard to claims 46 54 and 83 90 have been fully considered but they are not persuasive. Applicant argues that the shorcomings of D'Angelo et al. are detailed in the Remarks and that Ligg Pty. is insufficient to overcome the deficiencies. However, it is noted that the only shortcomings discussed in the Remarks are not features of claim 46, and those that

depend thereon. Therefore, nothing in the arguments has overcome the *prima facie* showing, and the rejection is hereby maintained.

Allowable Subject Matter

- 6. Claims 1 28, 31, 33 45, and 55 82 are allowed.
- 7. Claims 29 and 30 would be allowable if rewritten or amended to overcome the objections set forth in this Office action.

Conclusion

8. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
